- Copy a budget or forecast version (for all units) in bulk
- Import final set of employees from previous fiscal year to start the new fiscal year
- Create instructions or notes to display on home page

#### **For the User:**

- View a budget currently open in edit mode by another user
- Import Line Item Detail from a previous version
- Import ActionPaks from a previous version
- Import Assets from a previous version

For more information on these new features, download the complete [Release notes](#).

## Infographics and E-books, oh my!

**XLerant promotes ideas to improve financial performance and the corporate budgeting process:**

### 1. Survey of Financial Professionals

The results of this survey, presented as an infographic, are designed to help organizations think more broadly about ways to improve their financial performance and how to make the budgeting and planning process better and more strategic.

## Talk about us - XLerant's Referral Program

XLerant has initiated a **Client Referral Program**.

You can earn discounts on next year's subscription fee by referring another organization to XLerant ... and by them becoming a client.

Please contact Bill Alderton, Director of Sales, at 203-883-4385 [balderton@xlerant.com](mailto:balderton@xlerant.com) if you

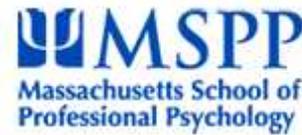

have any questions on the program, and to log a referral.

We look forward to hearing from you!

## Upcoming Webinar featuring Dan Brent from MSPP!

### The Art of Forecasting...A Pragmatic Case Study

[Register for this webinar](#) to learn how Dan Brent, CPA, Associate VP of Finance, Massachusetts School of Professional Psychology solved the forecasting problem in his organization and can now easily and flexibly revise budgets based on fresh results from the actuals. This webinar will be invaluable to any organization in any industry that wishes to improve the planning process.

Thanks Dan! **We wouldn't be us without you!**

## Thinking differently - The Border Police...

We know that you, our clients, think differently than the masses about the importance of ownership and participation in the budgeting process.

To help you **keep that edge**, here's a lateral thinking puzzle:

*Hans and Fritz are German spies during World War II. They try to enter America, posing as returning tourists. Hans is immediately arrested.*
